Residency and income exceptions are made on a case by case basis. Our goal is to help those who need assistance for Christmas. If you or someone you know is struggling to provide food or gifts for their children and you are not sure about qualifying, please call us prior to the sign up dates.

To help us select gifts your child will enjoy, please give us an idea of toys they are wishing for that range between \$10 and \$30 each. Our goal is to provide each child with 3 gifts, a game and/or book, and stocking stuffers. The donations that we receive will determine the value and quantity of your food and gift packages.
